Professional Biography

Paul Purewal is the owner of Zodego Construction LLC that specializes in construction management for clients in Atlanta. Prior to establishing his construction business, Paul Purewal spent 20 years in the construction industry. He has built over 1500 homes in Atlanta over the last 14 years. He has extensive knowledge of single family houses, townhomes, condo's and clubhouses. It all started with his passion of renovating historic buildings into luxury apartments for a property developer in England.

Bachelor of Science in Construction Management and Higher National Diploma in Building Studies from University of Central Lancashire. Council of American Building Officials (CABO) certified, licensed GA contractor in residential and light commercial. GA Soils and Water Conservation Commission (GSWCC) certified.

Zodego Construction LLC will manage all aspects of homebuilding, optimize the clients available funds, project scheduling, coordinate the hiring and oversight of trade contractors and determine the best way to procure materials and the most cost effective plan and schedule of the project.

Paul Purewal will serve his client with honesty, integrity, candor and objectivity. He will provide his services with competence, using reasonable care, skill and diligence consistent with the interests of his client and the applicable standard of care.
